

SCHOOL UNIFORM POLICY

The Dress Code has been designed to give the children a uniform that they can identify with and be proud of. It's designed to be comfortable and unregimentalised, yet smart, giving the children a sense of identity and belonging.

Please ensure that the Uniform requirements are adhered to on all occasions, especially on outings where it serves to not only advertise our school, but to identify our students.

Please ensure that on outings the tracksuit top is always worn.

When your child is in public places after school, kindly ensure that shoes are worn and that they look neat and tidy in their uniform.
