### School safety drop off and collection

Please note that only designated parking bays must be used and cars may not be driven towards the school gate even if it is raining or your child is late for school. Parking bays must be used. The church requests that the 3 parking bays to the right of the church be left open for the use of church employees.

It is particularly dangerous in the morning as the students are racing towards the school gate and the drivers are reversing.

We thank you for your co-operation.
