**Important last minute news just received (from the meeting at King of Kings
with Martin East this week)**

Martin and East are looking at opening up the top of Sunnydale Road to help with the traffic congestion problem. Numerous requests for speed bumps have been refused. Residents and interested parties (school parents) may wish to send an email to Ian McDonald (Engineer's Representative) at ian@hho.co.za cell 084 710 3776 outlining the perils (if you think that there are) of opening up Sunnydale Road and requesting that speed bumps are put in Sunnydale Road if they do open up the road or even if they do not.
